

Your shipments and deliveries are always under our constant care

Priority Parcels Inc. has been providing

unmatched local, regional, and national freight service since 2002 and is considered to be the most dependable courier and shipping company for many of our valued long term customers in the manufacturing, advertising, printing, and the entertainment industries. Our portfolio of shipments includes some of the biggest names in sports, entertainment, real estate, retail, printing, and the corporate world. Giant banners, large format printed materials like graphics for fleet of wrapped vehicles and entire buildings, retail signage, custom Point of Purchase displays, backdrops and event graphics for conventions, major stadiums, arenas, and tradeshows, we have shipped them all.

Air & Ground Freight Services

We can ship to and pick up from anywhere within the USA

If you are certified by TSA as a Known Shipper, **Priority Parcels Inc.**, a **TSA certified Indirect Air Carrier (IAC)**, can ship your cargo across the continental USA and to Canada on the next flight out so your time sensitive shipments can be delivered in an expedited

manner. If you are not a known shipper we can process your application to become one at no cost. We custom-tailor a service program specifically for your business and to suite your shipping needs. We realize that every business is different and your company's shipping patterns may vary slightly or dramatically from the normal.

Give us a call @ **310 978 1507** and we will gladly evaluate your shipping needs in person and show you why partnering with

Priority Parcels Inc. is the best and stress free solution for all your shipping needs.

Top reasons to ship with us

Big or small we ship them all - Anything from urgent packages to large format shipments, we can handle them for you. We are open 24/7/365 days, and we make sure your freight moves and arrives on time and in great condition.

Team of dedicated & experienced professionals - Over 100 years of combined experience in the industry to assist you with all your shipments, from pick up till delivery.

Shipping since 2002 - A stable company, experienced to transport any kind of non-hazardous shipments, and offer competitive prices without compromising the quality of service.

Custom logistics solution to suite your business or specific need - We will pick up and deliver, **day or night**, as per your schedule, so you are not under pressure to meet the carriers' deadlines.

Very proactive rather than reactive approach - Keep our customers well informed about the whereabouts of their shipments in real time. This allows the clients to plan accordingly in the event of any unexpected schedule changes.

An easy to use state-of-the-art website - Create job tickets, manage your address book to add customers and to select from already populated ones to avoid reentering information, get real-time updates to monitor the progress of the shipments from pickup through delivery.
